

"Pop Factor"

Your chance to produce a hit pop song worthy of a TOTP appearance and perform it in front of a live audience!

We provide you with all the equipment necessary to produce the hit CD; Computers with special software which will provide any musical instrument as well as the opportunity to record live music and vocals if any team members have any particular talents.

Teamwork is very much the order of the day with people taking different roles of Musical Director, Producer, Lyricist, Musicians, P.A. and more and our own Musical Director will be on hand to offer advice. Other team members will be involved in creating a band name, branding and designs for the CD cover and the prerequisite T-Shirt!

The objective is to produce a song which can then be performed by the team to the Judging Panel after the event or perhaps after the evening dinner to provide that extra special entertainment!

A full set of instruments including drum set, guitars and keyboard are provided along with a P.A. System, stage to perform the song (yes you can mime to the CD!) as well as a Master of Ceremonies.

This really is a fun and absorbing event which all team members will get involved with and really enjoy performing!

Cost = Set up cost of **£1,000 + £500** + Vat per team – minimum three teams – maximum 10 people per team.
